

Ripon Grammar School

Job Description

School Health Worker

Key Aspects of Role:

To oversee the care of students, both boarding and day, in school and support first aiders in school
To contribute to the school's health education programme

Reports to:

- Inclusion Manager (SENCO)
- Deputy Head (Teaching & Learning)

Terms and Conditions:

- Grade G (points 13 – 18)
- Full time (37 hpw), term time only (plus 5 training days throughout year)

Specific Duties

Boarding and Day Students

- To be responsible for the general health and well-being of those in the boarding houses, holding daily 'surgeries' at appropriate times of the day and look after sick boarders
- If required, to refer medical matters to the doctor's/dentist's surgery or hospital
- To deal with medical emergencies as well as routine appointments, escorting students as needed to the surgery or hospital
- To administer first aid to students and staff in emergencies
- To be responsible for the well-being of any sick day students, making arrangements for them to be collected by parents
- To ensure good lines of communication with parents regarding students' medical needs.
- To take part in the induction arrangements for new students joining the school regarding their medical needs
- To liaise with both day and boarding staff as appropriate, sharing any health or medical concerns
- To manage the student immunisations as required on an annual basis
- Complete risk assessments for injured students and help organise alternative classrooms
- Should the need arise, be prepared to carry out intimate care plans

Record Keeping

- To ensure that appropriate pupil records are kept up to date and stored securely
- To produce and monitor pupil health care plans
- Maintain records electronically, including individual medical health-care plans
- Prepare medical information for staff for school trips
- Respond to medical information requests from the Local Authority
- Liaise with external agencies and complete referrals as required
- Be a point of call for SEMH, support in decision making as to which agency to involve, liaising with safeguarding, SENCO and parents as appropriate
- Contribute to SEMH risk assessments

Organisation

- To ensure that the drugs, equipment and dressings in the medical room are in date and re-stocked
- To liaise with our nominated pharmacist re: the storage and administration of non-prescribed medicine
- To check the defibrillators weekly and report any faults, arrange for servicing, etc.
- To administer students' medicine when necessary and advise parents when/if students' medications are out of date
- Provide health education, advice, and signposting to other sources of information (health and well-being)
- To check first aid kits [departmental every half term and for trips- on return]

General

- To play a supporting (teaching) role in the school's health programme, including PSHCEE, tutor time and the sixth form general studies programme
- To take part in staff performance management on an annual basis
- To undertake professional development training as required
- To be familiar with the School's code of practice for Child Protection and other policies contained within the Staff Handbook

Any other duties as reasonably requested by the Headmaster
