### BUDGET MANAGEMENT POLICY

(incorporating Personnel)

October 2018

#### **AIMS:**

It is the aim of the Governing Body to ensure that all financial resources made available to the school are used in an efficient and effective manner in order to ensure that Value for Money is achieved. The aim of this policy is to create a framework within which individual members of the school staff and the Governing Body can achieve this.

This policy conforms to the requirements of the LMS Scheme for the Financing of Schools (hereafter referred to as the LMS Scheme) as set out by the Department for Education (DfE) and the North Yorkshire County Council LMS Financial and Contract Procedure Rules (hereafter referred to as the LMS Procedure Rules). The framework within this policy should be operated in conjunction with both the LMS Scheme and the LMS Procedure Rules. It is based on the County Council's recommended model.

#### **GUIDELINES:**

Financial decisions will be made after consideration of:

- a) the needs of the pupils/students and staff of the school;
- b) the conditions and requirements as laid down in the LMS scheme;
- c) the need to support and deliver the Curriculum.
- d) the financial resources delegated to the school; and
- e) the priorities as identified in the costed strategic development plan.

## **ORGANISATION OF RESPONSIBILITY AND ACCOUNTABILITY**

### **ROLES AND RESPONSIBILITIES**

#### **1. The Governing Body**

The Governing Body has a statutory responsibility to oversee the financial management of the school and to ensure adherence to the LMS Procedure Rules.

The Governing Body recognises the importance of clearly defining the roles and responsibilities of its committees, the Headteacher and other staff.

#### **2. Finance and Personnel Committee**

Consisting of members of the Governing Body and the Senior Team, the *Finance and Personnel* Committee will work to the agreed Terms of Reference as set out at Annex A.

- c) the end of financial year outturn statement, and
- d) the annual completion and submission of the Schools Financial Value Standard (SFVS).

The *Finance and Personnel* Committee will submit a brief summary report to the full Governing Body at least once per term.

#### **3. The Headteacher**

The Headteacher is responsible for:

- a) the detailed preparation of an annual school budget which addresses the strategic aims and targets established by the Governing Body;
- b) the day to day management of the school budget under the Scheme of Delegation as set out at Annex B and approved by the Governing Body; and
- c) ensuring the effective operation of the finance function within the school, to include:
  - i. the roles of each member of staff being clearly defined and the duties of staff with responsibility for financial transactions being, as far as is practicable, distributed to ensure that key tasks such as the processing of orders and invoices, are assigned to separate members of staff (segregation of duties) and that appropriate systems of internal check exist;
  - ii. the adherence to the LMS Procedure Rules;

- iii. the establishment of systems to ensure that financial control is maintained at all times including procedures in the absence of key staff; and
- iv. the maintenance of appropriate documentation and transactional records.

#### **PECUNIARY AND OTHER BUSINESS INTERESTS**

Governors and staff of the school will be required to complete a Register of Business Interests and declare any links they or any member of their immediate family have with any firm from which the school may wish to buy goods or services. The basic principle to be followed is that any interest should be recorded which could be seen to improperly influence any decisions taken, pecuniary or otherwise, regarding the operation of the school.

The Register will be:

- a) annually reviewed;
- b) maintained for any in-year changes as notified; and
- c) made available for inspection by Governors, staff, parents and the Local Authority.

## BUDGET

### 1. Aims and Objectives

The Finance and Personnel Committee together with the Headteacher will consider and provide costing information both for maintaining the required level of educational provision as well as proposals to develop the short, medium and long term aims and objectives as identified in the School Development Plan.

Such consideration will include the determination of an appropriate level of general contingency and the formulation of a policy for the application of any balances in excess of the agreed target for general contingencies on the development proposals within the School Development Plan.

It is recognised that finite resources will lead to a need to prioritise proposals and to accelerate/delay spending plans as circumstances change.
