

PROSPECTIVE SIXTH FORMERS

When you know your GCSE results (available on Thursday 20 August):

Check that you have what you need for entry to RGS Sixth Form – the minimum entry requirement is 6 GCSEs at Grade 6 or above, as stated in your offer letter.

IF YOU ARE ALREADY A STUDENT AT RGS

- ❑ If you have achieved these results and your chosen courses have not changed, then you do not need to do anything further as your results will be at school and your place is confirmed.

- ❑ If you have not achieved these results you must contact school (see below) to discuss the situation.

- ❑ If you wish to change your A Level subjects you must contact Mrs Griffiths to discuss it. Do not assume that you will be able to switch from one subject to another.

IF YOU ARE A STUDENT OF ANOTHER SCHOOL

You must contact us to confirm your exam results during the morning of results day in order to confirm your place in the Sixth Form.

You **MUST** email a copy of your examination results to Mrs Griffiths to confirm them.

The sixth form team will be available via email all day
