Ripon Grammar School

Engineering Specialism within a Grammar School

September 2015

Dear Students & Parents

16 – 19 Bursary Fund

The 16-19 Bursary Fund is a nationwide support fund designed to help students in full time education who are in need of financial support during their time at school.

The Bursary can pay for a wide variety of things, e.g.

- Any essential course trips that students have to attend.
- Any equipment or books students need to assist with their course.
- Any other costs that may apply e.g. uniform, transport, meals, open days.

The school is required by law to assess who is eligible, and if you apply for funding you will need to provide evidence to the school of your family's financial position. We are usually able to provide financial assistance to those who have a total household income of under £35,000 per year. The bursary is subject to attendance, behaviour and performance which will be monitored throughout the year.

If you think that you may be eligible for funding and you would like further information please contact me, in confidence, on 01765 602647 ext. 264 or email griffithse@ripongrammar.co.uk.

Kind regards

Mrs E Griffiths
