A Level Subject Fair

Dear Parents/ Fifth Form Students

We will be hosting our annual A Level subject fair for the students on the afternoon of **Friday 7 December 2018**. This is to assist the Fifth Form students with their decision about which subjects they may go on to study in the sixth form.

The A Level subject fair is for the students only and will be held in the Sixth Form Centre to allow them to have a look around those facilities. There will be opportunities during the subject fair for them to meet and talk with current Sixth Form students and to seek information on syllabus content, homework, combination of subjects, methods of assessment and possible routes of progression. In addition the Sixth Form team will be available during the afternoon to offer advice and guidance. Students will receive a presentation on A Level subject choices.

Students can also make individual appointments to discuss their career ideas and the full range of post 16 options with our careers advisor at any time; parents are welcome to attend these meetings if they would like to do so.

During the afternoon student groups will be allocated a timeslot when they can visit the subject fair. In order for students to make effective use of their time they will need to do some preparation beforehand and Form Tutors will spend some time in tutorials prior to the event discussing the kinds of questions that students should ask. Questionnaires will be distributed for students to collect all relevant information. Students will be asked to hand these questionnaires in at the end of the event to allow for follow up discussions with Form Tutors.

We hope that this will prove to be a valuable information session in preparation for the **Sixth Form Open Evening on Monday 21 January 2019 at 6.30pm**. Copies of the application forms and A Level Course Guide 2019 will be issued to all students. If you require any further information or have any questions please contact Mrs Griffiths, Sixth Form Co-ordinator at griffithse@ripongrammar.co.uk.

Yours sincerely
