

Re-founded 1555

Ripon Grammar School

Helping shape the future since 1555

January 2019

Dear Parent/Guardian,

Charity Week – St Michael's Hospice

We would like to thank everyone who supported us during Charity Week in October. The total so far is just over £10,000 including two personal sponsored runs. The week saw a variety of activities taking place from Zorb football to an inflatable assault course and of course the school Panto on the Friday.

Money is still coming in from various events and we are looking forward to announcing our grand total and handing over a cheque to Saint Michael's Hospice at the end of January.

Saint Michael's Hospice is so close to the hearts of many of the students and families here at Ripon Grammar School and we hope you agree it is a wonderful Charity to be supporting this year. The work that goes on at the Hospice includes specialised support at home, Hospice care, including day therapy and inpatient care, support for families and carers, and bereavement support.

To aid in continuing to raise as much as we possibly can for Saint Michael's Hospice we would like to invite you to donate any foreign currency that you have left over from your holidays. This is a great way to get rid of all the small change you come home with and are unable to change back. There will be a collection day on **Monday 21 January 2019** during form time.

Thank you very much in advance.

School Officers

Headmaster: Mr. Jonathan M. Webb, MA (Cantab).
