French GCSE Revision Workbook

Dear Parents,

As our 5th Year pupils approach the most demanding stages of their French GCSE, many are keen to have extra resources, to broaden their opportunities to practise the array of new grammar and vocabulary in the course.

Pearson Education has produced an excellent GCSE French Revision Workbook, relevant to the AQA syllabus which we currently study, which is a very worthwhile investment for students of all abilities during their GCSE course. Comments by teachers in other schools suggest that using the workbook as an extra, independent revision tool helps improve performance in the listening and reading papers, which 5th Year pupils will sit in May.

If you would like to purchase a copy of the Revision Workbook, the total price will be £2.50. Please fill in the slip at the foot of this page, and ask your son/ daughter to hand it, together with payment (either in cash or a cheque) to their French teacher. All orders will then be made by the end of November, so the deadline for placing an order with their French teacher is Friday 27th November.

Yours sincerely,

Mr I. T. Chamberlain

Head of Modern Foreign Languages

I(parent) agree to purchase
