

Re-founded 1555

Ripon Grammar School

Helping shape the future since 1555

12 October 2020

Dear Parents

One of the measures to deal with the Covid-19 threat is to maintain air flow through good ventilation. This means keeping windows open at all times. But, as the weather turns cooler, this has the potential effect of lowering temperatures in the classroom. It is therefore important to ensure that your son/daughter comes to school with a coat which can be worn, with the teacher's permission, in the classroom. While 'hoodies' will not be permitted, we would also recommend a good base layer or a school jumper.

Yours sincerely

Jonathan M Webb
Headmaster

Headmaster: Mr. Jonathan M. Webb, MA (Cantab).
