LOWER SCHOOL PRIZEGIVING

WEDNESDAY, 6 JULY 2016

Our principal speaker for this year's Lower School Prizegiving will be The Lord-Lieutenant of North Yorkshire, Mr Barry Dodd CBE.

Mr Dodd is a successful entrepreneur and wealth creator, especially interested in creating employment in rural areas. Amongst his many achievements is the creation of a multi-national Global Services and Manufacturing Group with four manufacturing plants in the UK. He is Chairman and major shareholder in two high tech software and systems companies and a fast growing distributor of mobile computing products.

For the past eleven years Mr Dodd has devoted a day per week to unpaid public service. HM The Queen approved the appointment of Mr Dodd as Her Majesty's Lord-Lieutenant for North Yorkshire in September 2014.

Mr Nick Chester will be our guest speaker for Lower School Prizegiving in 2017.
