

Re-founded 1555

Ripon Grammar School

Helping shape the future since 1555

20 September 2017

Dear Parent/Guardian of students in Year 11,

As part of the new Biology GCSE specification we will be studying the screening, causes and treatment of cancer. We are conscious that this will be a sensitive issue for many students and families and therefore want to give you some notice if you wish to have discussions with your child(ren) before we teach this in class. We will be teaching the topic in or after the week beginning 9th October.

If you have any queries or concerns please contact me at school by email at linklaterj@ripongrammar.co.uk

Yours sincerely

Dr J Linklater
Head of Biology

Headmaster: Mr. Jonathan M. Webb, MA (Cantab).
