

Re-founded 1555

Ripon Grammar School

Helping shape the future since 1555

Dear Parent / guardian

I have recently received the opportunity to take a group of students to the Nissan factory at Sunderland to see the industrial context of work we have been doing in school for the Systems and Control GCSE. The visit will focus closely on the manufacture of the Nissan Leaf electric car.

The trip is on the afternoon of Monday 30th October. We will need to leave School at the start of break and I hope to return by 4:30 although I will try to get back for the school busses if at all possible. A packed lunch will be required which will be eaten on the mini bus prior to arriving at Nissan for the afternoon visit. Although the visit is free from Nissan I do need to make a small charge of £2 to cover the cost of transport.

Please pay and signify your consent to your son / daughter attending the trip on the School 'Parent pay' site. I would also ask that you ensure the schools contact details for you, and student medical information are up to date in case I need to utilize these during the trip.

Feel free to contact me at School prior to the trip via e-mail on rudlandd@ripongrammar.co.uk or in an emergency during the day on 07891164193

Best regards
Mr D Rudland
Head of Design Technology
Ripon Grammar School
