Dear Parents

Re: **Non-Uniform Day to raise money for Cancer Research UK on 16th July**

Each year we culminate the summer term with a lower school charity fundraising event. This year the lower school forms have nominated Cancer Research UK as the charity they would like to support.

During form time, our lower school students have been learning about 'upcycling'; they are producing and will be showing the outfits created from upcycled items during lunchtime on the 16th July, with a suggested donation of 50 pence entry to the show to raise money for their chosen charity.

As well as showing the outfits, this day will be a '**non-uniform**' day for all of our students, and a **suggested donation of £2** would be most welcome. All of the money raised from this day will be sent to Cancer Research UK, and I am sure you will agree this is a worthwhile cause.

As usual, a non-uniform day does not include fancy dress or any extremes of clothing. Students will be attending normal lessons throughout the day therefore they will be expected to wear smart clothing, avoiding short and strapless tops/vests and short skirts/shorts. Your support in this matter is much appreciated.

Thank you in advance.

Yours sincerely
