

## SIXTH FORM OPTION BLOCKS 2017

Select your 4 AS Courses from the option blocks below, one from each column. Write them in the column headed "Lower Sixth Courses" on the application form. Indicate in the column headed "Upper Sixth Courses" on the application form which 3 subjects you are hoping to continue to study as A2 Courses.

We recognise that there is a possibility that the school may not be able to accommodate everyone's preferences. In the unlikely event that the combination of subjects you hope to study is unavailable, we would advise you to discuss your choices with us as soon as possible. The timetable blocks have been drawn up after a survey of initial student preferences. Any potential difficulties will be negotiated with each student on an individual basis.
