

Ripon Grammar School

Helping shape the future since 1555

Re-founded 1555
November 2015

Dear Parents,

Ripon Grammar School Recipe Book – Recipes Please!

I would like to remind you of the project we launched before the summer break to create an RGS recipe book. The idea is to collect recipes from students, parents, staff, alumni and other community members, but then also to include relevant information pages from the different subject departments in school. For example, Languages might look at international recipes, Science at molecular gastronomy and digestion, the Art Department will provide sketches and photographs, and so on.

The book itself will be published in Autumn next year and so will hopefully be on sale for Christmas 2016. Money raised will go towards the cost of printing and proceeds will then be shared between the Parents' Association and the Jenny Unwin Appeal.

Following the successful RGS Bake Off competition in July to kick-start the process (see <http://www.ripongrammar.co.uk/news/great-rgs-bake-off-winners-61/>), we would now like to ask you to send in your favourite recipes, starting with the following:

1. Your recipes for **STARTERS**, to include ingredients and the method.
2. Your **BONFIRE** cookery suggestions (e.g. treacle toffee, soup...), to include ingredients and the method.
3. Your intended Christmas recipes which could also include any special drink recipes and the method.

Please either send recipes in to school with your son/daughter, or email them to Mrs Solden - soldenl@ripongrammar.co.uk , or Mrs Dring - library@ripongrammar.co.uk.

Please send the recipes in by **10th December 2015** and include a photograph if possible.

We look forward to receiving your suggestions.

Yours sincerely,

S C Dring
Learning Resources Manager
Literacy & Numeracy Co-ordinator
