

Re-founded 1555

Ripon Grammar School

Helping shape the future since 1555

From the Headmaster

13 June 2017

Dear Parents

Re the proposed telecoms (mobile 'phone) mast on the school site

Further to my letter to you in April about the request by the Pegasus Group to install a telecoms mast on the RGS site, governors considered this proposal at length at the meeting of the Full Governing Board last night. I am writing to let you know that governors decided not to give approval for a mast on the school site.

Governors would like to thank parents who expressed their views and they were therefore aware of the serious concerns voiced by some parents about having such a mast in the vicinity of the school. They were also aware that other parents who had not expressed their concerns in writing also had reservations about the mast. Whilst the one off payment of £50,000 offered by the company would undoubtedly have helped the school at a time of very tight budgets, governors were all of the view that this should not override the genuine concerns of parents.

Yours sincerely

M L Pearman
Headmaster
