

RECIPE BOOK UPDATE

*We would now like to ask you to begin sending us recipes for the recipe book itself and the obvious place to begin is with **STARTERS**...*

*If you have any favourite, tried and tested recipes for **STARTERS**, to include ingredients and the method, please either send them in to school with your son/daughter, or email them to **Mrs Solden** on soldenl@ripongrammar.co.uk , or **Mrs Dring** in the **library** on library@ripongrammar.co.uk. Please include a photograph if possible.*

We are looking forward to starting to compile the book which will consist of both recipes, relevant information from the different subject departments in school, and hopefully some community contributions as well. We are planning to sell it for Christmas 2016.

Thank you so much for your support,

*Mrs Dring
