

## INSTRUCTIONS FOR COMPLETING YOUR CHOICE OF COURSES ON YOUR SIXTH FORM APPLICATION FORM

Select your **4 AS Courses** from the option blocks below, one from each column. Write them in the column headed “Lower Sixth Courses” on the application form. Indicate in the column headed “Upper Sixth Courses” on the application form which **3 subjects** you are hoping to continue to study as **A2 Courses**.

We recognise that there is a possibility that the school may not be able to accommodate everyone's preferences. **In the unlikely event that the combination of subjects you hope to study is unavailable, we would advise you to discuss your choices with us as soon as possible.** The timetable blocks have been drawn up after a survey of initial student preferences. Any potential difficulties will be negotiated with each student on an individual basis.

\*Students opting for Further mathematics (column Y) will be automatically allocated to mathematics in column Z and so should choose a valid combination from column W and X

### **Additional notes**

Students will be allocated to groups in L6th to ensure a balance across the groups. **Changes may be made to groups from L6th to U6th subject to timetabling constraints.**

Courses offered are occasionally subject to change and candidates will be informed as early as possible if there are any changes that affect the choices made.
