Leicester Space Centre – Educational Visit

Dear Parent/Guardian

I am writing to advise you of an upcoming school trip to Leicester Space Centre.

The trip is open to current 4th year GCSE Astronomers.

The trip is planned for **Tuesday 3rd June 2020, leaving school at 7:30 am and returning at approximately 5.00pm** dependent on traffic.

The cost of the trip is £30 to cover the entrance fee at the Space Centre, a planetarium show and the coach transportation.

Students will require a packed lunch or lunch money for the cafe (approx. £7.50).

If you are happy for your son/daughter to attend the trip in support of their GCSE in Astronomy, please acknowledge this **via Parent Pay** when you make your payment.

As you will appreciate, prior payment by Friday 20th December is necessary to confirm our booking and to secure the coach on the available date.

If for any reason you are worried about the cost of the trip please do not hesitate to contact me. I do feel this trip will be invaluable and offer an educational experience beyond the normal classroom environment.

Yours sincerely

Mr Barker
Teacher of Physics & Astronomy
Ripon Grammar School
