

***What you need to do...***  
**Y7, Y8 & Y9 Reading Week**  
**4-10 May 2020**

This week much of your work will consist of reading activities, either fiction or non-fiction, which we will provide for you. Here's what is happening and what you need to do:

- At the beginning of the week **make your Reading Log bookmark** – you can see the instructions from Miss Szczerbinska on a separate sheet. You will use this to log all the reading you do during the week.
- At the end of the week you will **photograph the bookmark** and send it to [library@ripongrammar.com](mailto:library@ripongrammar.com) – also keep the original to hand in when we are back to school.
- There will be a **prize** for the best bookmark in each Year Group!
- **Your subject teachers will send you the reading** they would like you to do – in some lessons where you have project work to complete, there will be a little bit of reading to do alongside; in others reading will take up all the time.
- **If you have time to do any extra reading for pleasure, go for it!** Don't forget to add it to your log!
- **Optional creative activities** are listed on the next page – have a go if you want and send us photos of your creations.
- And finally, I would like you to **interview a grown up about their favourite childhood reading** – it can be someone in your house, or someone you speak to on the phone or a video call. Ask them what was their favourite childhood book; why?; where did they like to read? Etc.  
Then **either type or write a half page report of your interview** – make sure it's neat and send it to [library@ripongrammar.com](mailto:library@ripongrammar.com) by Friday 8 May.

***Happy reading - relax and enjoy!***

## Why not try at least one of these fun creative activities?

- Design a new book cover for your favourite book – include the blurb and decorate it beautifully
- Make a magazine holder from an old cereal box →
- Make your favourite book character from a potato/boiled egg/loo roll inner

- Make an infinity card and list your 8 favourite books inside.

**THIS IS VERY DIFFICULT!!** <https://www.youtube.com/watch?v=j0ZQgNXmm98>

- Design your own book plate to go inside your books.

**Send us photos!**
