

FRIENDS of RIPON GRAMMAR SCHOOL

WE NEED YOUR HELP!

The FRGS support the education experience of children within School by fundraising through organising social events. Details can be found on the school website, the FRGS facebook page and on email updates. It is with your support at these events that we can provide the extras school needs for all our children.

This is a selection of the items that we have funded this school year:

- The school minibus, planters & pond
- Replacement projector and screen in the main hall
- Autoclave for the Biology Dept.
- Visit by author Anabel Claridge
- Equipment for Green power club
- Props & costumes of the Billy Elliot production
- Thai boxing kit
- Swimming pool lane ropes
- Storage Bins for DT Dept
- Defibrillator in main school

In addition we are always on hand to provide much needed refreshments at Parents Evenings, School Concerts and other social events throughout the year.

We are a small group of parents who would really welcome your help.

I am interested in:

Please tick

- | | |
|---|--------------------------|
| Becoming a committee member | <input type="checkbox"/> |
| Baking for events from time to time | <input type="checkbox"/> |
