16-19 Bursary Fund Policy

Introduction

The 16-19 Bursary Fund exists to help students continue with and complete their sixth form studies where they would otherwise be prohibited from doing so on financial grounds.

The Bursary is intended to help with the hardship needs of individual students. Its intent is to enable a learner to continue with his or her education and should not be viewed as an incentive to attract young people into learning. Generally, awards from the Bursary will be used towards essential course related costs such as books, equipment, travel, essential field trips, essential course related visits and other costs associated with living and learning. Ripon Grammar School will seek to ensure that the funds available are:

- Distributed fairly through a process which is transparent and easily understood. Information about the process for application and consideration is available from the Bursar.
- Assessed and allocated to each individual's need, taking into account the financial circumstances of the applicant and the intended use of the award
- Used to widen access to, and participation in, sixth form education.

16-19 Bursary Funding and the guidance concerning the administrative arrangements, priority groups for support and monitoring arrangements is issued by the Education & Skills Funding Agency. This gives a broad overview of the Fund on the whole and instructs schools on the appropriate use of the funding.

Please note: there is a limited amount of funding which means that it will not be possible to support every application and priority will be given to those students from the families with the lowest household income and/or highest demonstrated need. We will only be able to pay up to maximum of 50% for non-essential school trips subject to individual circumstances.

The 16-19 Bursary Funds has two elements:

- a vulnerable bursary of up to £1,200 a year for young people in one of the defined vulnerable groups
- discretionary bursaries which institutions award to meet individual needs, for example, help with the cost of transport, meals, books and equipment

1. Vulnerable Bursaries

The following students will be eligible to receive a bursary of up to £1,200 per year, if agreed standards of behaviour and attendance are met:

- in care
- care leavers
- getting [Income Support](#) (IS), or [Universal Credit](#) (UC) in place of Income Support, in their own right
- getting [Employment and Support Allowance](#) (ESA) or Universal Credit (UC) and Disability Living Allowance (DLA) or [Personal Independence Payments](#) in their own right

2. Discretionary Bursaries

These awards will be targeted towards young people facing financial barriers to participation in sixth form studies and essential activities. Priority will be given to those young people from the families with a household income of less than £25,000. All students receiving free school meals or who have siblings who are in receipt of free school meals will automatically be deemed eligible for funding. Agreed standards of behaviour and attendance should be met.

Application Process

- Step 1:** Initial emails will be sent to all students and parents informing them of the bursary and to request that they contact the Bursar for an application form if they think they might be entitled to financial assistance.
- Step 2:** The school is legally required to assess who is eligible, and if you apply for funding you will need to provide evidence to the school of your family's financial position. Financial assistance is available to those who have a total household income of under £25,000 per year. The bursary is subject to attendance, behaviour and performance which will be monitored throughout the year.
- Step 3:** *Financial Assessment Application Form* will be sent to interested students to be completed and should be returned, with evidence to assess eligibility, to the Bursar.
- Step 4:** The Bursar, in consultation with Head of Sixth Form, will assess each application to determine if a bursary will be offered.
- Step 5:** Applicants will be advised as to the outcome of their applications

- Successful applicants will either have the books, equipment or other costs provided by the school or payment will be made to the student's bank account to reimburse costs.
- Unsuccessful applicants will have the right of appeal
- All applications will be treated in the strictest confidence

Further information can be obtained from the Bursar.

Awards Process

Bursary awards are made for specified course related costs and/or other costs viewed as presenting a barrier to the individual learner's participation in education. The amount of each award will be assessed on an individual, case by case basis as detailed in the individual's application form.

The School may offer bursaries in the form of non-cash "in kind" payments where appropriate, such as travel vouchers or meal vouchers, attendance on course related school trips etc. Any equipment purchased by the school for use by an individual learner remains the property of the school and must be returned upon completion of or withdrawal from the course.

The school may also offer an award in the form of a short-term loan to help a learner bridge a temporary financial hardship where this is deemed appropriate and agreed by the learner. In this case, the school will draw up an agreement with the learner clearly stating the use of and the conditions surrounding the reimbursement arrangements which the learner should sign indicating he or she understands the conditions of the loan. The learner should be able to provide evidence that the award has been used as intended.

Confirmation will be sought from Heads of Departments to determine which equipment is essential for each course.

Receipt of bursary payments are conditional upon a student meeting attendance, behaviour and performance standards which are agreed in advance and set out in the Sixth Form Commitment and Attendance Policy. Attendance and behaviour requirements generally align with the conduct standards expected of all students who are part of the Ripon Grammar School community. Where the learner does not meet the agreed attendance, behaviour and performance standards, which will be monitored on a half termly basis, the school will make every effort to advise the learner and help resolve any issues but retains the right to rescind or suspend bursary payment(s).

Appeals Process

Should learners disagree with the outcome of either their application for a bursary award or, where a payment has been withheld due to attendance/behaviour, they should follow the School's complaints procedure.

All appeals will be considered by the Head of Sixth Form. The letter of appeal should include student name and form and the reasons for the appeal. Any additional information can be provided and attached to the appeal. Written confirmation of the outcome of the appeal will be sent out within 10 days of the appeal being considered.

Review of Policy

This policy will be reviewed on an annual basis, taking into account the views of the school, young people and their parents and guidance from the Department for Education and the Young People's Learning Agency.
