

## Meet the Team

Mr Fell is Head of Sixth Form at Ripon Grammar School, where he has taught for 26 years. He is an English Teacher and a keen reader and gardener. He grew up in the sunshine of The Gambia in West Africa, and fell in love with North Yorkshire after moving here after university. He hates the cold and snakes! He has three children and a Golden Doodle who is obsessed with anything edible

Mrs Griffiths is the Sixth Form Co-ordinator and deals with all sixth form administration and, along with the rest of the team; pastoral support for students. Her HR background means she can help with CVs, interviews and presentation skills. If you have a question about anything please just ask her as she always has an answer! Having previously lived in New Zealand she will talk enthusiastically about this at any opportunity, but loves travel in general and is always planning the next trip as she loves the sunshine. Mrs Griffiths is very keen baker, does yoga and enjoys reading. She lives with her husband, two grown up boys, one dalmatian and three cats.

Miss Anderson is an enthusiastic member of the Sixth Form team and loves her role as deputy head of Sixth Form. She is the coordinator of the Wednesday's enrichment programme and also teaches Business and Economics. She grew up in Scotland and is extremely passionate about her Scottish roots. Miss Anderson is a very sociable character and rarely turns down a chance to dine out. Miss Anderson can often be spotted wearing a subtle print on her hairbands, bobbles or belts. She is a keen runner who is often trying to progress by undertaking a new challenge. Miss Anderson has two sisters who she holds in high regard, one a civil engineer and the other is at university in America with a football scholarship

Mrs Lyons is the newest member of the team and is excited to take on the role of deputy head of Sixth Form. She is responsible for the Friday enrichment programme and also teaches French and German. Mrs Lyons grew up in York but has also lived in London, Paris and Reims where she obtained her French diplôme, and still dreams about living on France again one day. She loves reading (and talking about) books, baking and running. She lives with her husband, small boy and Nike the cat.
