RGS Library has signed up for a free one-month trial for ePlatform which is an e-book and audio book provider.

We are inviting students in Years 7—10 to try it out and let us know what you think!

There are two ways to try out E-Platform:

1. Try it on your PC by going to this link: <https://ripogrammar.eplatform.co/> and then signing in in the top right hand corner.

Your **USERNAME** will be your first name and surname with a dot between. For example, if you are called John Smith, your username will be John.Smith

Your **PASSWORD** is **Library 1** (*note there is a space in this*)

2. Download the free ePlatform app from your App Store and use it on your phone or other devices. Look out for the ePlatform logo.

IMPORTANT INFORMATION!!

- ◆ Ebooks work in a different way and there will be a limit of 300 loans per month **FOR THE WHOLE SCHOOL**.
- ◆ If you borrow an ebook or audiobook on the system and then return it 5 minutes later, that will count as a loan.
- ◆ A good way to avoid this is to find books that sound interesting and 'save for later' until you've decided which one to borrow.

The ePlatform trial will end on 14th July, so give it a go and let us know if you would like us to purchase it!
