

Re-founded 1555

# Ripon Grammar School

*Helping shape the future since 1555*

4 December 2019

Dear Parents/Guardians

It is with great excitement that I write to you to confirm the 3G facility is now open with the new changing facility almost complete. These are excellent additions to the school and are a fantastic resource for all our current and future students, as well as the local community.

I would like to take this opportunity to stress that this is not just a football/rugby facility and that all of our students will use this for a range of sports and activities.

### **Footwear for use on 3G pitch**

It is requested that students arrive to each lesson with clean footwear. To clarify boots should be metal or moulded studs. Trainers, astro-turf trainers and blades are not permitted on the surface.

To aid students to wear the correct footwear we are looking at ways of providing appropriate boots to those who do not yet have the type required for the surface. We appreciate these can be expensive items to purchase, with students hopefully only replacing them when they grow out of them. If you have any suitable pairs of boots that your child has outgrown and that you would be happy to donate to the school this would be much appreciated. Please send them into school to be handed in directly to me.

Bearing in the mind the slightly different surface and current cold weather, students are welcome to wear undergarments in PE lessons.

If you have any concerns, please do not hesitate to contact me by email at [milnera@ripongrammar.com](mailto:milnera@ripongrammar.com)

Yours sincerely

**Mr Milner**
