## Fifth Form celebration morning and examination period arrangements

Dear Parents,

As you are already aware the Fifth Form will be beginning their study leave on Friday, 10<sup>th</sup> May 2019 at 11am. This is their last compulsory school day before their GCSE examinations.

The morning will involve an extend form period until 9:35am followed by a leavers' assembly involving musical performances and presentations until 10:15am. A buffet will then be provided for the students to enjoy between 10:15- 10:45am. Students will then depart by 11am.

Students have been encouraged to bring a spare school shirt with them tomorrow in the event that they would like to get a shirt signed. [In my previous letter I outlined the expected behaviour at this event].

During their study leave, Fifth Form students are welcome to revise in school. Study rooms will be published daily at reception and on the exams notice board in the foyer. Students are expected to sign in and out at reception should they opt to come into school to revise.

Students can still access the support and expertise of staff and they can do this by arranging a meeting via e-mail with the subject teacher or by visiting or e-mailing [upperschooloffice.com](mailto:upperschooloffice.com). We will facilitate any support needed.

Students have been reminded that they should arrive 10 minutes early for their examinations with all necessary equipment and their statement of entry. More detailed examination information was given to students before the Easter break in their individual examination information pack. If they have any further queries or require additional copies of their timetable, they should see Miss Lancaster and Mrs Dale in the exams office.

**Results day for GCSEs is Thursday, 22<sup>nd</sup> August between 9am- 12noon.** If students are unable to collect their results personally and would like family or friends to collect them on their behalf, a letter stating this needs to be e-mailed or handed to Miss Lancaster in the exams office. No results will be given over the telephone. Any results that are not collected will be posted on Thursday, 22<sup>nd</sup> August. Support will be available for students on this day.

May I take this opportunity to express what a fantastic year group the current Fifth Form are; their academic ability, endeavour and contributions to wider aspects of school life has been impressive.

I wish them every success in their GCSE examinations and beyond.

**Miss R. Clark**  
**Head of Upper School**

Headmaster: Mr. Jonathan M. Webb, MA (Cantab).
