## **Re: GCSE Geography fieldtrip to York City Centre Friday 8<sup>th</sup> October**

Dear Parent or Guardian,

As part of the GCSE Geography course, students must carry out fieldwork investigation in human and physical landscapes. This requirement will be fulfilled with a visit to York City Centre on **Friday 8<sup>th</sup> October 2021** to carry out the human fieldwork. The purpose of the visit will be to carry out primary fieldwork collection that students will write up in lessons during October and use to answer fieldwork enquiry questions in their GCSE examinations in the summer.

On 8<sup>th</sup> October the students will depart from school at 9.00am and the trip will run within normal school hours. All students will need to bring a clipboard, packed lunch (although they have the option to buy lunch in York) and be appropriately dressed for all weather conditions.

The cost of this visit has been subsidised by the school, but we would request a contribution of **£8.00** towards the cost of the coach. If this is a problem, please do not hesitate to contact me at the school. Payment and consent needs to be made via Parent Pay please, **by Wednesday 6<sup>th</sup> October 2021**.

Thank you for your support in organising this compulsory element of their GCSE Geography course. If you have any questions, please contact me at school by email [wainwrightr@ripongrammar.com](mailto:wainwrightr@ripongrammar.com).

Yours sincerely,

Mrs R. Wainwright  
Head of Geography

Headmaster: Mr. Jonathan M. Webb, MA (Cantab).
