

Ripon Grammar School

6 October 2023

Dear Parent/Guardian

A-Level PE - Practical Evidence

We are very pleased that your son/daughter has opted to follow the A-Level PE course. We are keen that all students studying A-Level PE fulfil their potential and achieve the highest grade possible.

I would like to take this opportunity to outline some of the requirements of the coursework unit. As part of this unit, all students are required to complete one practical activity and one synoptic oral response. It is hoped that your daughter/son participates regularly in competitive sport which will help us accumulate the evidence required by the board.

With this in mind it is very important that students record their progress throughout the academic year in the sport that they have opted to be assessed in. This should be filmed evidence which takes place in a competitive situation/match and it is the responsibility of the student to gather this evidence.

Feedback from the examination board suggests that the camera must be focused on the student and follow their progress during the game. From experience it is advised that students obtain as much footage as early as possible as this allows for them to select the best possible evidence. Each piece of filmed evidence must be submitted to the IT department on a memory stick which should be clearly named. Once the evidence is deposited in to a folder the memory stick may be collected.

The final submission for any practical evidence is 30 January 2024. All evidence may then be edited for submission by 6 February 2024. A minimum of one piece of recorded evidence should be handed in to the IT department each half term

Thank you for your continued support.

Yours sincerely

Mrs Beechinor
Academic PE Co-ordinator
