Art study visit exploring the local environment

Dear Parent/Guardian,

I am organising a photography research walk around Ripon during the art lesson as part of the 'AS' Art Course.

As part of the Environment theme the department feels it is important for students to undertake a research session in and around Ripon on **Monday 24th September for L6Z, or Thursday 27th September for L6Y.**

This session is an important introduction to the AS course. We are utilising the expertise of Mr. Glenn Davis, who as well as being the department technician is an artist in his own right. Mr. Davis has had several exhibitions in London and has exhibited his work in Ripon Cathedral as part of the Northern Art Show. We will meet outside the art block at 1.30pm and, returning to the school for 3.55pm. Please complete and return the attached medical sheet with the permission slip below.

I would like to thank you for your continuing support of your son/daughter in Art and Design. If you have any concerns regarding the trip, please contact the school in confidence.

Yours faithfully,

F. Henson
Head of Art
