Art study visit to Brimham Rocks and Ripon Walk

Dear Parent/Guardian,

I am organising two short Art Study visits to support coursework undertaken as part of the AS Art Course.

As part of the theme 'Environment', the department feels it is beneficial for students to experience a drawing session at **Brimham Rocks on Thursday 6 October for L6W group, or Friday 7 October for L6Y group.**

We would also like to go on a **photographic walk around Ripon on Thursday 13 October for L6W group, or Friday 14 October for L6Y group.**

This session is an important introduction to the AS course, and we request a £2 donation for transport costs via Parent Pay. This will also act as a consent form.

We will depart at Ripon Grammar School car park at 1.00pm and, return to the school for 3.45pm in time for school buses.

We are travelling in the school minibus to Brimham Rocks and on foot around Ripon the following week. Both events have minimal impact on teaching as we are using an afternoon double art session.

The students will require a packed lunch including drinks, waterproof clothing, strong walking shoes, camera and drawing materials (sketchbooks). These trips will be weather dependent.

I would like to thank you for your continuing support of your son/daughter in Art and Design and if you have any concerns regarding the trip, please contact the school in confidence.

Yours sincerely

Mrs F Henson
Head of Art
