Important notification - Communication with the school over the summer (2018)

Due to some important and necessary updates to the computer system, the school servers will be “down” over the summer break (from Monday 23 July). You will be notified when the network is available but this will have an impact on communication, in particular the school email system.

Therefore if you need to contact the school over the summer, please use one of the following email addresses:

General matters (including communication with staff)

admin@ripongrammar.com

Boarding enquiries

boarding@ripongrammar.com

Sixth Form admissions

griffithse@ripongrammar.com

Invoices and payment enquiries

invoices@ripongrammar.com

The school telephone will be available throughout the summer but there is no answer machine service and staff will only be in occasionally to take your call.

This will not affect examination results days where staff will be available throughout the day.

Headmaster: Mr. Jonathan M. Webb, MA (Cantab).
