

Re-founded 1555

Ripon Grammar School

Helping shape the future since 1555

1 March 2023

Dear Parents

Careers Evening on Thursday 23 March, from 6.30pm – 8.30pm

I am writing to inform you about the Careers Evening to be held in school on Thursday 23 March, from 6:30 to 8:30pm. I do hope that you and your sons or daughters will be able to come along to meet with representatives from over 50 organisations and companies and to hear about opportunities for careers across a very broad range of sectors.

Many of the organisations offer training schemes and apprenticeships and will be able to offer advice about the increasing number of alternative routes available, both for post 16 and 18 employment and study, including apprenticeships and sponsored degree schemes. The event also offers an opportunity for students to explore opportunities for work experience and part-time employment.

Due to the large number of organisations taking part, **families are asked to park outside the school grounds** as the school car park will be full by this point in the evening, with exhibitors' vehicles.

Students and parents should register in the school foyer, where students will be present to assist you and point you in the direction of the exhibitor areas. Please use the digital Visitor Guide, which will be sent to you prior to the evening, and which will show the location and stand numbers for all of the participating businesses and organisations. You may wish to print this out for your ease on the evening.

We very much look forward to seeing you in school and to welcoming you to the Careers Evening 2023.

Yours sincerely

Mr Bob Walker
Head of Careers
