Dear Parents

We are waiting for details from the School Age Immunisation Service (SAIS) concerning the government's planned programme of covid-19 vaccinations for children aged 12-15. For parents who would like information about the programme, I attach the link here to the gov.uk guidance [COVID-19 vaccination programme for children and young people: guidance for schools - GOV.UK \(www.gov.uk\)](https://www.gov.uk/guidance/covid-19-vaccination-programme-for-children-and-young-people-guidance-for-schools)

This has a useful section of FAQs which guides parents through matters to do with the programme itself, consent etc. and also has useful links.

If you would like further information, the Immunisation Service has its own website with contact details provided.

Yours sincerely
