New Specification GCSE revision session: Wednesday 2nd May – 4pm-5pm

Dear Parent or Guardian,

Due to the introduction of the new specification of GCSE History and the changes to the style of examination questions, the History department is offering students an opportunity to attend a GCSE revision presentation in the main hall available to all GCSE historians with a focus on how to master the types of question associated with the new specification Paper I. Examination technique is an integral part of the department's teaching at GCSE level and this opportunity will afford students the opportunity to revisit and augment elements of examination technique covered earlier in the course. The one hour session will involve a 'walk-through' of a sample paper, advice, exemplar responses and an opportunity to ask any questions. I do hope that your son/daughter can attend this presentation. I wish them the best of luck for their GCSE examinations in the summer. If you have any further questions please do not hesitate to email.

Thank you for your support.

Yours sincerely,

Mr. M. Spiers
Head of History Department
