#### Parent & Carer survey

We would like to reach out to all parents and carers of your pupils through a parent & carer travel survey to help us support the safe return to school, address potential travel issues that have arisen, and encourage a shift towards active travel. This is a follow up survey to a survey conducted via Facebook before schools returned in September and we would like as many parents and carers as possible to respond to this new survey. Please could you distribute the survey <<https://r1.dmrk.net/4BPJ-X68K-34L26V-QZIAE-1/c.aspx>> to the parents & carers of your pupils through your own communication channels e.g. emails or school social media pages. The survey is also being distributed via the Open North Yorkshire Facebook page, which parents & carers can access at [facebook.com/OpenYorkshire](https://www.facebook.com/OpenYorkshire). The survey will close on Sunday 4th October.
