Pricing Structure

The school is paying a fixed price each day and this is run as a not-for-profit service. As a result, we have designed a payment structure to suit Parents' and Students' needs. The pricing structure will offer passes on an annual, termly, weekly and daily basis although weekly and daily passes will only be available **subject to availability at the start of each term**. Best value will always be an annual pass and places are limited to 50. If possible, proportionate refunds will be provided.
