

Re-founded 1555

Ripon Grammar School

Helping shape the future since 1555

2 February 2023

Dear Parent / Guardian

**Rotary Club Technology Competition
at St Aidan's School, Harrogate
Tuesday, 7 March 2023**

Ripon Grammar School has been invited to enter teams in an area-wide Design Technology Tournament organised by the Rotary Club of Harrogate to take place at Saint Aidan's School, Harrogate on Tuesday 7 March. I will be taking three teams, each of four people, and your son / daughter has been asked to represent the school.

The competition starts at 9:00am when the teams will be issued instructions regarding the challenge via a short presentation. The teams will then design, build and demonstrate their solutions and produce a brief written report.

Travel will be via the school mini bus and we will leave school at 8:30am. Students will need to bring a packed lunch to eat at the venue. At 2:30pm there will be a formal presentation of prizes and we will leave St Aidan's in time for your child to catch their bus home and to leave here at the usual time.

Kindly provide permission for your son / daughter to attend the trip via Parent Pay. There is no payment required for the trip although I cannot take any student without the required permission.

During the event, if necessary, you may contact me on my mobile 07891164193. In the meantime, please email me at rudlandd@ripongrammar.com if you have any queries.

Yours sincerely

Mr D M Rudland
Head of Design Technology
