

Ripon Grammar School

27 October 2023

Dear Parent/Guardian,

Second Year Geography Fieldtrip to the Yorkshire Wildlife Park, Wednesday 8th November 2023

As part of the Second Year Geography course the students study the extreme environments and plant and animal adaptations within these environments. To gain primary understanding of the animal adaptations within extreme environments like deserts and tropical rainforest the students will be going to Yorkshire Wildlife Park. **The fieldtrip will take place on Wednesday 8th November 2023.**

You son/ daughter will be required to arrive at school on time for a prompt departure from the bus park at 8.45am. The students will then spend the day at Yorkshire Wildlife Park and **will return at 3.55pm, in time for the school buses.**

As the weather may be cold and wet. We recommend that students wear comfortable clothes (no jeans) and bring a jumper and water proof jacket. Parts of the trip can be difficult under foot and therefore we request students wear walking shoes or trainers. Your son/daughter will need to bring a packed lunch, drink and any medication that they will require in a small backpack.

The cost of the trip will be £18.50 per student, and we ask that you return the consent and make payment via ParentPay by **Friday 3rd November 2023.**

Thank you very much in advance for your support in preparing your son/daughter for this Geography field trip. Please do not hesitate to contact me if you have any queries regarding the trip or any issues concerning payment wainwricht@ripongrammar.com.

Yours sincerely

Mrs Wainwright (Head of Geography)
