

Ripon Grammar School

November 2025

Dear Parent/Guardian,

Second Year Geography Fieldtrip to the Yorkshire Wildlife Park, Tuesday 18th November 2025

As part of the Second Year Geography course the students study the topic; 'How is Asia transforming?' This includes a focus on extreme environments and plant and animal adaptations within the environments of this vast continent. To gain primary understanding of the animal adaptations within extreme environments like deserts and tropical rainforest the students will be going to Yorkshire Wildlife Park. **The fieldtrip will take place on Tuesday 18th November 2025.**

You son/ daughter will be required to arrive at school on time for a prompt departure from the bus park at 8.45am. The students will then spend the day at Yorkshire Wildlife Park and **will return at 3.55pm, in time for the school buses.** As the weather may be cold and wet. We recommend that students wear comfortable clothes (no jeans) and bring a jumper and water proof jacket. Parts of the trip can be difficult under foot and therefore we request students wear walking shoes or trainers. Your son/daughter will need to bring a packed lunch, drink and any medication that they will require in a small backpack.

We request a voluntarily contribution of £18.50 per student, please return the consent and make payment via ParentPay by **Wednesday 12th November 2025.** If insufficient funds are collected the trip will be cancelled.

Thank you very much in advance for your support in preparing your son/daughter for this Geography field trip. Please do not hesitate to contact me if you have any queries regarding the trip or any issues concerning payment wainwright@ripongrammar.com.

Yours sincerely

Ms Wainwright (Head of Geography)
Trip leader
