

Re-founded 1555

Ripon Grammar School

Helping shape the future since 1555

Science Department

3rd May 2019

Dear Parent/Guardian

Visit to the Deep (First Form)

As part of the first year science course we are offering the opportunity for students to view an aquarium and to research organisms in relation to module 7.3, called 'Ecosystems'.

To support their learning we will be taking them on a visit to 'The Deep', which is Europe's only submerium, in Hull on **Friday 28th June 2019**. We will be leaving school at **9.00 am** and we will ensure that students are returned in time to catch buses at the end of the school day. Students will need to bring with them a small bag (there will be no bag storage), a packed lunch (no nuts please) and a pencil case. They may wish to bring a small amount of money as there is a shop from which to buy a souvenir but there will **not** be a chance to buy any food from the café. Smart casual clothes and comfortable shoes should also be worn, and it is asked that crop tops are not worn please.

In order to cover the cost of admission and travel, we are asking you to provide a contribution of **£16.00**. This payment should be made on **Parent Pay**. We ask that payment is made by **Friday 7th June**. If you are unable to make this contribution, please feel free to speak to me either in person or over the telephone. Alternatively, my email address is greene@ripongrammar.com

Yours faithfully

Miss E Green

(Teacher of Science)

Headmaster: Mr. Jonathan M. Webb, MA (Cantab).

Address: Clotherholme Road, Ripon, North Yorkshire HG4 2DG Telephone: (01765) 602647 Facsimile: (01765) 606388
