Additional notes

- 1. Courses offered are subject to change and candidates will be informed if there are any changes that affect the choices made**
2. Students opting for Further mathematics **will** be allocated to mathematics in column X
3. Students will be allocated to groups in L6th to ensure a balance across the groups
4. Changes may be made to groups once final numbers are established – this includes reduction in teaching groups and/or additional teaching groups created subject to demand
- 5. If your preferred selection is not available, please indicate this on your application form but be prepared to identify a reserve option**
